Cyril Glover, Commissioner of Finance of the City of Bay St. Louis, stated this week that his office had already collected \$80,861.82 of the 1955 City taxes, which amount represents 52 1/2 per cent of last year's taxes. This amount represents a good collection, for one month, since taxes became due the first of January, 1956.

Suspect Arrested In Waveland And Admits Thefts

Jimmie L. Ivy of New Orleans, Louisiana, was arrested by Constable Herman Mazarakis and Waveland Marshal Fred Bourgeois Tuesday of this week in Waveland and has been charged with "breaking and entering a dwelling" and also stealing an automobile.

Constable Mazarakis and Marshal Bourgeois were driving around when they saw an automobile parked in front of the Beverly Glass residence in Waveland, and upon questioning the suspect they found that he did not have a driver's license, and on further investigation they found that he had on a jacket belonging to Beverly Glass. When this was discovered, they placed the suspect under arrest, they checked and found that a television had been removed from the owner's house and placed in a skiff in the back yard. When the officers went into the house they found numerous articles of clothing that the suspect apparently had laid out to remove. It was also discovered that the suspect had opened some of the canned goods in the house.

The officers took the suspect, car driven by the suspect, and the television set to the Town Hall in Waveland and reported their findings to Sheriff Sylvan Ladner, Jr., and upon further questioning it was found that the suspect was driving a stolen automobile, having been stolen from a New Orleans resident.

On further questioning the suspect admitted that he had broken into the same place the day before taking some of the articles and took them to New Orleans and pawned them at various pawn brokers in the City, having the pawn tickets on his person at the time of the officers' questioning. Some of the articles taken from the Beverly Glass home were a 22 cal. pump rifle, army jacket, radio, electric razor, cap, shirt, and necktie.

The stolen automobile was the property of Dr. William S. George of New Orleans, La.

The suspect also admitted to breaking into the home of George V. Sherlock on Favre Street in Waveland, and that he took a number of articles from the property.

Since the arrest, Constable Mazarakis and Marshal Bourgeois went to New Orleans and recovered most of the stolen property from the pawn shop.

Mr. and Mrs. Claude Mauffray Celebrate Fiftieth Anniversary

An authentic horsedrawn survey with fringe on top brought Mr. and Mrs. Claude D. Mauffray to St. Joseph's Church in Fenton to renew their vows at a ten o'clock nuptial Mass on the occasion of their fiftieth wedding anniversary on January 29th. The Mauffrays were driven in the old two seater by the same couple who attended them in 1906 as best man and maid of honor, Ola Ladner and Mrs. Emma Garriga Ladner.

The Rev. Mark Rottmann, pastor, celebrated the mass and was assisted by the Very Rev. J. H. Canon Chauvin, Ocean Springs, the priest who performed the wedding ceremony. Yellow gladioli and yellow chrysanthemums were used in profusion in the church and the same wedding music was used as the couple renewed their vows in the impressive double-ring ceremony, with Professor Joseph Hammersbach as organist.

Mrs. Mauffray the former Bessie Garriga of Fenton, wore a Navy-blue silk crepe dress with pink sequin collar and trim and a matching pink hat. She wore a corsage bouquet of purple orchids. Following the ceremony, the

They are Mrs. Verli Brumfield and Ulman Mauffray of Gloster, Miss.; Claude and Woodrow Mauffray, Kiln; Mrs. Edith Ladner, Mrs. Gloria Horlock and Conrad Mauffray Bay St. Louis; Wayne Mauffray, Gulfport; Donald Mauffray, Fenton and Wilson Mauffray, Sacramento, Calif. There are thirty-two grandchildren.

About 350 guests attended the reception and the honored couple received many beautiful gifts from their friends and family.

A Proclamation For World Day

Of Prayer

WHEREAS, it is the conviction of the United Council of Church Women, in fellowship with all those who seek the divine Guidance of our Creator, that the many problems confronting us today can be solved only with the help of Almighty God; and

WHEREAS, World Day of Prayer has been designated on an international, interdenominational, interracial basis to join the people of the world together in furtherance of the doctrine, "The Lord Is Thy Keeper," and

WHEREAS, in order that the Church may fulfill the important role of exerting practical witness to the fact of God's purpose in human affairs, thereby advancing the international cause of peace on earth, it is necessary that we be ever mindful of the vast power of prayer in furthering his work and his work and in combating the forces of evil that surround us.

NOW, THEREFORE, I, John A. Scafide, Mayor of the City of Bay St. Louis, do hereby proclaim Friday, February 17th, 1956, as

WORLD DAY OF PRAYER

in the City of Bay St. Louis, and call upon the people of our city to observe this day an individual invitation to attend a specific World Day of Prayer meeting; and if the duties of some are such as to make this impossible, I urge the people to pause in their work for one minute of prayer at High Noon, to ask that God give us light to guide us; courage to support us, and love to reunite us.

IN WITNESS WHEREOF, I have hereunto set my hand and caused to be affixed the seal of the City of Bay St. Louis, this 6th day of February, A. D. 1956.

Youths Arrested And Confessed Five Burglaries

Jerry Cooley, nineteen-year old youth of Kiln, Miss., and a youngster fifteen years of age from Kiln were arrested by Sheriff Sylvan J. Ladner, Jr., accompanied by Deputy Sheriff, Jimmie Necaise, deputy Earl Ladner and Constable Marvin Bobinger this week. Each of the youths, after questioning, confessed to breaking and entering five different places in the Kiln community, the places being the homes of L. J. Bondeage, Curtis Miller, Mrs. Irma Gratin Einsiedel, Henry Gustine, and the Mundy home. From these places they admitted taking a 22 cal. pistol, assortment of groceries, beer, watch, blanket, and broke a fuel line on a butane gas system, 1500 rounds of 22 ammunition, trousers, shoes, pocket knives, hunting knife shirts, and other items.

The arresting officers were successful in recovering a number of the stolen items.

Both of the boys have been charged with "breaking and entering a dwelling." The younger boy will be given a hearing before Nellus Rhodes, Youth Court Referee this week.

Manuel Shiyon, care taker of one of the homes looted, was checking on the property, and when he entered the house he found one of the suspects inside. When Shiyon recognized one of the suspects, both of the suspects who were in the house fled, and fired five shots outside. As they hastened from the house, they ran through a locked screen door, destroying the door. Shiyon immediately reported the incident to the sheriff's office and the arrest was made.

The 1956 drive under the leadership of Mrs. Beyer and others was an outstanding success, and it is certainly the desire of the Hancock County workers that 1956 will be a greater triumph.

Heart disease is the nation's number one killer, and one dollar out of every three contributed to the fund is used for research work.

The committee in charge in this county urges the public to give freely to this worthy cause. Your contribution can be sent to: Mrs. Charles Beyer, P. O. Box 223, Bay St. Louis, or to Mrs. Joseph Kern, Bay St. Louis.

Flower Shows

Mrs. Eugne Mogabgab has been busy during the past week serving as judge in two separate flower shows.

She served in one show held at D. H. Holmes Department Store in New Orleans, which was sponsored by the Garden Guild there, and the title of the show was "Flowers at the Mardi Gras." This judging was held last Thursday, February 2nd.

Last Saturday, February 4th, she served as a judge at a camellia show held in Long Beach, by the Long Beach Garden Club, the title of the show being "Jewels from the Garden."

Mrs. Mogabgab is quite adept in flower judging. She has been vitally interested in the local Bay-Waveland Garden Club since its organization, and having judged in numerous flower shows in the past.

There will be a business meeting, and a guest speaker immediately following breakfast, to be held at the home of Mr. John Anderson.

COURT COMPOSED OF TWENTY-FOUR COUPLES

Tonight at nine in the S. J. A. Gym there will be a festive and gala affair—a king and queen will be crowned to rule at the annual S. J. A. Carnival Ball.

As general, it is a deep, dark secret, as to whom this year's King and Queen will be, but it isn't any longer a secret that the ball is going to be one of the best yet, and that the gymnasium will be most beautiful.

We have heard that there will be twenty-four maids and dukes this year that will promenade and pay homage to the new king and queen. We have also heard that there will be a most unusual tableau presented, and that some of Mrs. Dan M. Russell's dancing pupils will perform for the royalty's pleasure.

It is understood that invitations from the king and queen have already been mailed, extending a formal request to the invited to be present at the King and Queen's party to be held at the Bay-Waveland Yacht Club following the ball at the S. J. A. gym.

This affair has been an annual event at the S. J. A. since 1934, and each year it seems to be just a little better than the last.

At any rate, it is an occasion you cannot afford to miss—who knows, your next door neighbor may be king of queen!

King Christian

To Reign At Pass

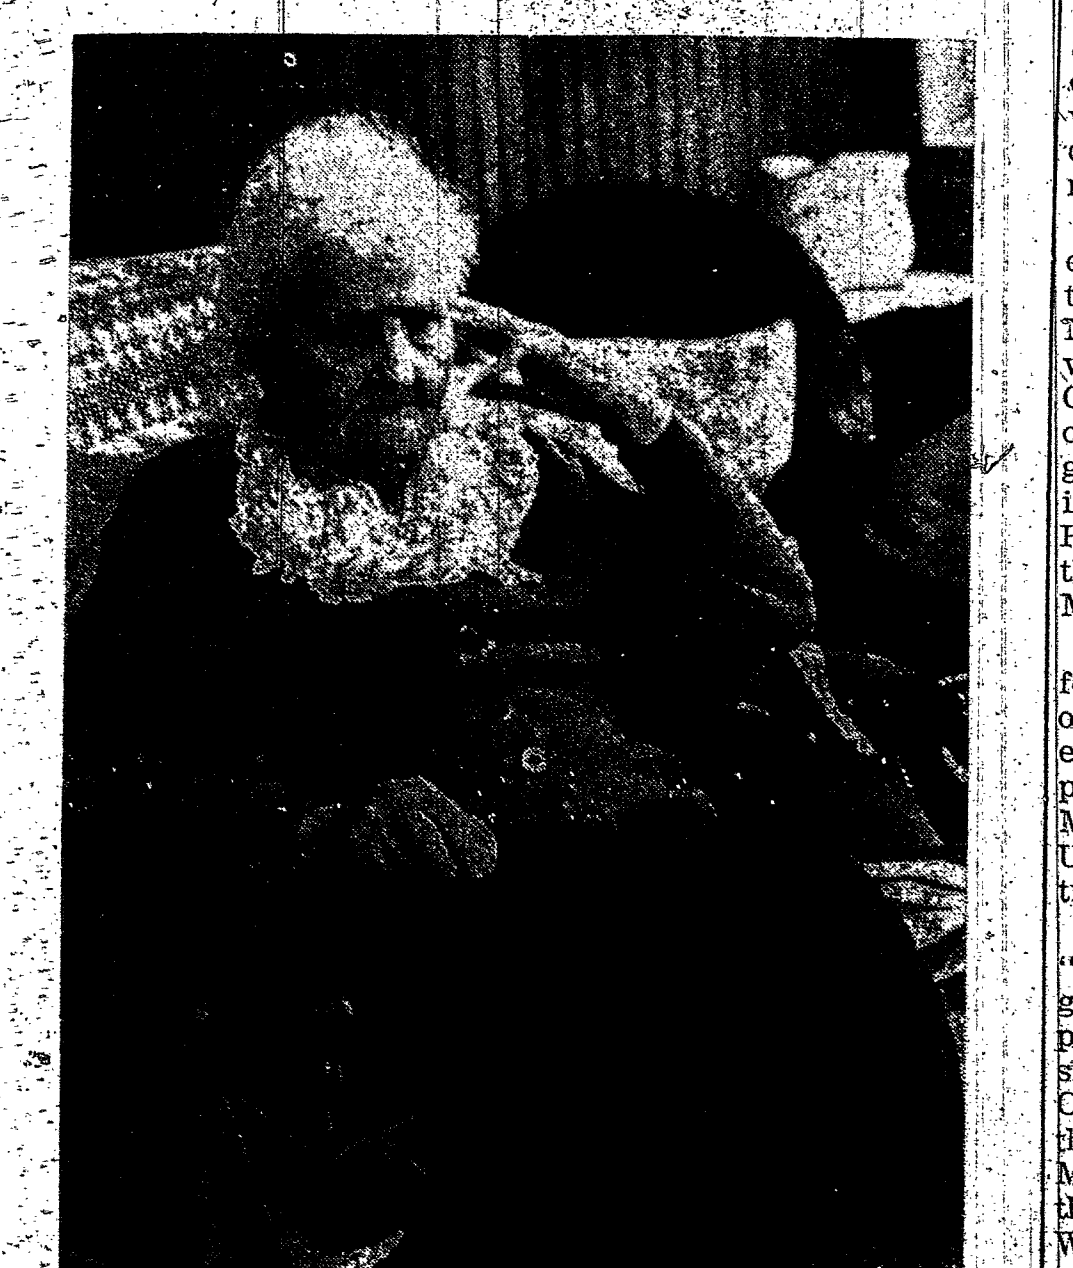

February 12th

Joe Yarborough, who is Parade Chairman of the Pass Christian Carnival Parade, announces that King Christian will parade at Pass Christian Sunday, February 12th, beginning at 2:30 in the afternoon.

The parade will assemble at the Ball Park; thence to Third Street; from there to Davis Avenue; from there to Front Street to the City Hall, where the King will toast his queen. The queen and her maids will view the parade from the balcony of the City Hall.

The parade will then continue along Front Street to Church Street; thence to Second Street, and thence to the Ball Park. The annual trophy will be awarded to the most outstanding float. It is anticipated that about twelve floats will participate, and be accompanied by several excellent parading bands, plus several hill billy bands riding on trucks.

Last Descendent Of Spanish Grandee, Don Juan Cuevas, Now 95 Years Old

Mrs. Gabrielle Cuevas Hale was born Feb. 5, 1861. She is the last surviving grandchild of Don Juan Cuevas, Spanish Grandee, who in 1812 was in New Orleans on Official Business for Spain.

Don Juan was a great sportsman who wanted a hunting trip. The City of New Orleans provided him with the equipment, slaves, etc., and Cat Island, Miss., was selected for the "shooting" as it abounded in game and fish, etc.

While there, the British fleet were looking for New Orleans. They stopped at the Island and asked Don Cuevas if he knew the way to New Orleans. He refused to tell them, saying he was a Spanish Grandee, and that he was a Catholic.

The delay was fatal to the British, for in the meantime, American troops arrived and New Orleans was saved.

As a reward, the United States Government gave him Cat Island, free of taxation!

Mrs. Hale's maternal grandfather was Judge Jules Monet from France, the first judge and lawyer on the Mississippi Coast. She was born here and lived here all her life, save for eighteen years spent in Gulfport, where her husband, the late Thomas P. Hale, was one of the pioneer railroad builders of South Mississippi. From 1894 to 1912, he was Vice-President and General Manager of the Gulf and Ship Island Railroad, now the Illinois Central. She was the mother of six children, of whom only three are living.

Apology

We are afraid that some of our patrons had to stand on their heads to read one of our inside pages last week. We experienced press trouble and some of its pages caught in our trouble went to some of our subscribers.

We sincerely apologize and hope that there will be no recurrence.

Carnival Day Here

Next Tuesday, February fourteenth, is Mardi Gras, or "Fat Tuesday", and will be a holiday in our Hancock County, but more than that it is a day of celebration, masking and revelry.

For generations the City of New Orleans has been famous throughout the nation for its Mardi Gras celebration and yearly people of our county have trekked to our neighboring city to celebrate this annual occasion but during the past few years business and civic-minded people of our county have aided individually and financially toward the staging of a local parade on Carnival day which has annually proven a great success. It has been such a success that a majority of the local citizenry has desired to remain at home on Mardi Gras and see local talent prevail.

We understand that the local Carnival Day Committee is hard at work planning another wonderful day of merriment and entertainment and we should be proud of their efforts and again join in and see "local industry" at play.

accepted, and the dates June 11-13 was chosen.

The program will begin with the Executive Board meeting at noon on June 11, followed by committee meeting in the afternoon. The meeting will adjourn at noon on Wednesday, June 13.	
Details of the program will be made by the Council program committee, of which Mrs. T. G. Anderson, of Hernando, is chairman.	
February Plentiful Potatoes, pork and beef are the headline items on the U. S. Department of Agriculture's plentiful foods list for February.	
Supplies of late potatoes are abundant and of good quality. They are good for baking, mashing and combination dishes. Supplies of "new" potatoes for boiling in their jackets or for boiling and serving "parsley-battered."	
Because of continuing heavy supplies, pork should continue a good price-wise. At your meat counter also you will find plenty of beef, especially the higher grades.	
Crisp, fresh green cabbage will be coming to market from Texas, Arizona, California and Florida. It's a buy in appetite.	

appeal as well as for the vitamin C it offers.

For a February salad bowl, try green cabbage, shredded just before serving with grapefruit segments and chopped celery. Use the grapefruit juice for tartness in the salad dressing.	
Such a salad will be combining three plentiful and tasty foods, for celery and both fresh and processed grapefruit are abundant.	
Other February plentiful include rice, broilers and fryers, vegetable fats and oils, lard, peanut butter and canned tuna.	
THRIFT IN COOKING POTATOES For boiling and baking choose potatoes of uniform size so they will all get done at the same time. Odd shapes or sizes can best be used for frying, combination dishes or cutting in pieces to boil for mashing.	
To get the most food value, boil or bake potatoes in their jackets. Using only a small amount of water for boiling saves vitamins. If you peel before cooking, keep the peellings thin.	
To speed boiling for a hurry up meal, cut potatoes in pieces, cook in as little water as possible in a pan with a tight cover or in a pressure saucepan.

Hancock County Oil Progress

Drilling in the Bayou La Croix area well has slowed down during the past week due to the fact that Marshall R. Young Company has been taking various tests, and they are nearing the contract depth of 10,500 feet which was according to the original plan. This week drilling was below 10,400 feet, and it is assumed that if indications are favorable when the 10,500 depth is sounded, that a further depth will be explored.

The Cuevas No. 1 located Sec. 30, Township 9, S., Range 15, W., is currently pumping oil into 25,000-gallon storage tanks, and then being shipped by barge to Shell Refining Plant in Chalmette, Louisiana, for refining. Gas from the well is being burned and some of it is being used in the steam boiler for the large drilling rig which is beginning operation in the Baldwin No. 1 well located in Sec. 31, Tp. 9, R. 15, W.

JOHN BAILEY

John Bailey is a double-barreled citizen. Weekdays, he's a switchman for the Louisville & Nashville R. R. One night a week he's first Sergeant of Bay St. Louis' Company C of the 890th Engr. Avn. Bn.

At 23, John still gets a kick out of part-time soldiering. He has real pride in making his outfit one of the best in the battalion. Last year the Company was the baby company of the battalion. This year, John's company is shooting for 100 men at Summer Training—an increase of 33 over 1954. Anyone, from 17 to 35 is eligible to join.

John likes the fact that he is a Guardsman. He points out that \$500 a year in Guard pay comes in mighty handy, where there is a new Pontiac involved. John has four years' service behind him now. In another sixteen, he'll be eligible to retire, and draw a good-sized pension when he reaches 60.

Goal Of 25 Quota For Nat. Guards

A recruiting goal of 25 has been set for Company C, 890th Engr. Avn. Bn., Bay St. Louis, in the one-day membership drive of the National Guard set for February 22.

In announcing the goal, Lt. Kingston said particular emphasis would be placed on reaching the parents of prospective recruits.

"The young man of today is not going to decide on so important a matter as his Military future without leaning heavily on the advice of his parents," Lt. Kingston said.

Through enlistment in the National Guard, Lt. Kingston said, a young man can receive his military training while serving with his friends at home, can earn extra money and build up a retirement pension, and has an opportunity to learn new skills which can be valuable to him in civilian life.

Besides his instruction in soldiering and many technical fields, the Guardsman can attend regular Army service schools and receive pay while doing so. Also, home-study extension courses can be taken, opening the way to faster promotions.

For further information on their son's careers in the National Guard, parents are invited to visit the Guard armory on the day of the recruiting drive. Special arrangements have been made for Guard personnel to answer in detail all questions relative to enlistment.

Guard members will devote the first two hours of recruiting day to drill, following which they will engage in an intensive membership drive for the rest of the day. In addition to receiving parents at the armory, they will visit the homes of prospective recruits. Recruiting information can also be obtained by calling the Armory 1385.

DONNIE McCULLOCH CELEBRATES BIRTHDAY

Each of the young ladies upon her arrival were presented a pink camellia corsage by her host.

The supper table in the dining room was covered with an elegant lace cloth and centered with an arrangement of pink camellias and pink candles. A delicious menu was served buffet style by Mrs. McCulloch. Dancing and games were enjoyed by Donnie's guests, and punch and birthday cake was served during the evening.

Presents Program

At the completion of a unit on the study of Indian craft and customs, kindergarten pupils of Christ Episcopal Church Day School entertained their parents on February 3rd with a program in their home room. The children, dressed in costumes they had helped to make themselves and each named an Indian name, presented songs and dances reflecting various aspects of Indian life.
